Bed Races are wild and wacky events held all over the country—and the world! Beds on wheels are constructed from scratch or from an existing bed, and are maneuvered through race courses, over and around obstacles, or just straight to the finish. The Queen City Rotary Club is hosting its 4th annual race. For our event, it is necessary that the bed hold a mattress that is twin size or larger, and teams consist of 5 individuals. One team member must be riding in the bed at all times, so it is necessary that the bed be constructed in a manner that is safe for a person weighing more than 100 pounds. And, the race is the opportunity to show off your creation, and win prizes for it too—so have fun decorating your bed!

Race-Day Information:

Fee: **\$200 per team** (*you provide the bed!*)

Build-a-Bed Guidelines and Rules of the Road:

A limited number of beds may be available for a rental fee of \$50 (first come, first served).

The object is to create a “bed” that can be easily maneuvered, be sturdy enough to hold an individual weighing 100 pounds, but have as little excess weight as possible, as you are trying to safely wind your way through and win the race! For guidelines on how to build a bed, and rules for the event, visit www.queencityrotary.org. For ideas and pictures of bed races, perform an internet search of “bed races.” The possibilities are endless!

Good luck! And, remember, SAFETY, SAFETY, SAFETY! Safety is the highest priority when putting together and racing the bed.

In consideration of the acceptance of my application/entry form for the Queen City Bed Race, I hereby release the Queen City Rotary Club, its members, sponsors, participants, Rock 101, the City of Manchester, and any person, officially or unofficially, connected with the event, from all liability or any injuries or damages whatsoever arising from my participation in this event. I also authorize the use of photos to be used from the race for publicity by the Queen City Rotary.

In addition, I realize that the Queen City Rotary Bed Race requires physical conditioning and I represent that I am in sound condition. I have no physical or medical conditions that would endanger myself or others.
