### ***How to Propose a New Member***

Every Rotarian has the privilege and obligation to seek qualified members. In this way, all club members can help their clubs achieve a full representation of the business and professional life of the community. Membership is the means to accomplish Rotary's mission and goal. Use the form to propose a new member to your club. You owe it to your club and your community. Do it today!

### ***Summary of Membership Provisions for New Members***

General Qualifications — Rotarians are adults of good character and good business or professional reputation, who hold or have held an executive position with discretionary authority in any worthy and recognized business or profession. Active Membership — Active members must meet the above qualifications, as well as live or work within the club's locality or surrounding area. Honorary Membership — People who have distinguished themselves by meritorious service in the furtherance of Rotary ideals may be elected to honorary membership. Classification — each active member of a Rotary club is classified in accordance with the member's business or profession. A classification describes the principal and recognized activity of the firm with which an active member is connected or the member's principal and recognized

business or professional activity. The club shall not elect a person to active membership from a classification if the club already has five or more members from that classification, unless the club has more than 50 members, in which case, the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10% of the club's active membership. Retired members require a classification but are not included in a club's total number for each classification. NOTE — Holders of public office persons elected or appointed to public office for a specified time are not eligible for active membership under the classification of such office, except persons elected or appointed to the judiciary or educational offices.

### ***Standard Procedure***

The prospective member's name is submitted the club secretary who forward to the membership committee then board of directors for approvals. They ensure that the person is fully qualified and approves or disapproves the proposal within 30 days. The proposer is notified of the decision by the club secretary. After approval has been announced, the prospective member is fully informed of privileges, expectations and responsibilities of club membership. He or she is then asked to complete the proposal form and give written permission to publish his or her name and proposed classification to the club membership. If no objections to the proposal are received within two club readings following the publication of the name, that person, upon payment of an admission fee, is a new Rotarian. The club secretary sends a completed new member report form to Rotary International as recommended by Rotary Club Bylaws or submits the new member's name via [www.rotary.org](http://www.rotary.org).
